

Enquiries + Applications

Feyshtyn as Yeeareydyssyn

Our unique and flexible application process means it is very easy to register for one (or more) of our programmes!

As the Isle of Man International Business School is not a UK-based university, we are not part of the UCAS system (which processes applications for degree programmes at universities and colleges in the United Kingdom).

As a result, enquiries and applications for all the programmes delivered at The IBS, apart from those delivered by external training providers, (see pages 39-41) are made directly to us and can be made all year round.

All applications are treated individually, with offers based on the merits of each applicant. As it can take several months to arrange funding, we advise submitting your application to us as early as possible.

If you want to apply for a course offered by The IBS:

Contact our Enquiries and Admissions Team for an application form.

T: +44 (0)1624 693700, E: enquiries@ibs.ac.im

You receive and complete the appropriate application form.

You post, fax or email your completed application form (and references if required) to our Admissions Team.

International applicants for Degree Programmes are also required to pay a refundable deposit of £250.

The Programme Leader reviews your application.

You may have a face-to-face or telephone interview with the Programme Leader to help assess your application.

If you do not meet the entry requirements for the course you will receive a letter of decline from The IBS. (See individual programme pages for entry criteria.)

Sorry, but the application process ends here for you.

Any deposit paid will be refunded in full. With your permission, we can inform you about future courses that may be of interest to you.

If you meet the entry requirements for the course you will receive a letter from The IBS offering you a conditional or unconditional place on the course.

You arrange funding for your programme.

See page 8 for some 'Useful Contacts' and ask our Admissions Team about our Scholarships and Bursaries if you are really struggling to obtain funds.

If you are an international applicant you will need to apply for an educational visa to come to the Island.

Ask our Admissions Team for more information about 'Homestay Accommodation' on the Isle of Man too.

You receive your registration information from us 1 month before you commence your course.

You register at The IBS and pay for your programme. *Any deposits paid will be deducted from your programme fee.*

**Congratulations you are a fully registered student!
Good luck with your studies!**
