## **NEWS RELEASE – 20.04.05**

# **Isle of Man International Business School Number 1 for Manx students!**

Did you realise that you can study for a business degree right here on the Isle of Man? At the Isle of Man International Business School (based at the beautiful Nunnery Estate in Douglas) we offer degree programmes at undergraduate and postgraduate level allowing residents to gain valuable and recognised qualifications without incurring the expense and inconvenience of 'going away'. Our degrees are validated by Liverpool John Moores University and are taught by highly specialised and experienced lecturers and professors.

Since it was founded in 1999, The IBS has grown to become the number one choice for Manx A level school leavers. We are currently providing degree level education to more Manx students than any other Higher Education institution in the world! 2005 is an exciting year for us as the first graduation ceremony will take place for students on our four year BA (Hons) Business Studies undergraduate programme.

If you are considering furthering your studies or perhaps venturing into a whole new career, The IBS will have something to suit your needs. Our students come from a variety of backgrounds, cultures and age groups and our degree courses are all available on a full time or part time basis (most including an optional work placement opportunity).

The IBS also plays host to a variety of professional courses run by our academic partners (MCMD / CMI) and other professional bodies (ICA, IoD, STEP). Applications to join a degree programme or an IBS professional course are made directly to The IBS and can be made all year round. Funding applications for tuition fees are made directly to the IOM Department of Education.
