January MBA Intake at The Business School

The IBS is offering another chance for local students to join their part time Masters in Business Administration (MBA) programme in January 2006.

The MBA offered at The IBS is franchised from Liverpool John Moores University and is an internationally recognised postgraduate and post experience qualification for managers who want to accelerate their career progression.

Tiffany Jacobsen, Head of Sales and Marketing said,

“The IBS MBA provides an excellent alternative to both travelling off-island to study or to distance learning. It offers face to face teaching, flexible part time study blocks and useful opportunities to network with other local managers as well as high levels of tutor support. The part time study mode also means that MBA students can maintain their careers whilst studying for their qualification. “

Funding of tuition fees is available from the Department of Education on a discretionary basis.
