NEWS RELEASE – 10.07.07

Quadruple First for IBS Students as they celebrate Graduation Day!

Friday 6th July saw the Isle of Man International Business School (The IBS) celebrate its third full Graduation Ceremony at St German's Cathedral in Peel.

The ceremony was attended by around 350 people, including 60 graduating students, their families and friends, as well distinguished guests and the staff of The IBS and Isle of Man College.

Professor Michael Brown, Vice Chancellor of Liverpool John Moores University, admitted students to their undergraduate and postgraduate degrees and presented others with their Chartered Management Institute awards.

The results attained by the 20 undergraduate students of The IBS have once again been impressive, with 4 achieving first class degrees. This is an exceptionally high proportion of first class honours and is testament not only to the hard work of the students but also to the high quality of the teaching and individual attention that students receive at The IBS.

In addition to the presentation of degrees, diplomas, certificates and prizes, the ceremony also included a solo in Manx Gaelic by Aalin Clague of local groups Moot and Caarjyn Cooijagh.

Addresses were made by the Director of the Business School, Professor Roger Carey; the Vice Chancellor of Liverpool John Moores University, Professor Michael Brown; and the Minister for Education, the Hon Anne Craine MHK. Marina Corkhill, Head of Internal Operations at The IBS, was Master of Ceremonies.

Afterwards, guests and graduates enjoyed refreshments in the Cathedral Hall to the sound of harp music and singing by Gina Williams. Group photographs, in the splendour of the Cathedral and Cathedral grounds, were taken by Keigs; whilst Andrew Barton expertly coordinated individual and family shots of the gowned students in the Cathedral Hall.

The Governing Body and all the staff of the Isle of Man International Business School would like to thank everyone who helped to make the day a resounding success, to congratulate our new graduates and diplomates and to wish them the very best for their futures.
